MANUFACTURING DAY

INDUSTRIAL TECHNICAL LEARNING CENTER
FONTANA, CA

ABOUT

Started in 2012, Manufacturing Day is an annual celebration of modern manufacturing. Students, educators, businesspeople, media and politicians join in a collective effort to educate about manufacturing careers and improve public perceptions of manufacturing.

GOALS

Manufacturing Day is all about celebrating manufacturing! MFG Day aims to:

- Empower manufacturers
- Change public perceptions of manufacturing
- Introduce people to manufacturing careers
- Draw attention to the roles manufacturers play in their communities

BENEFITS

Meet with local manufacturers while engaging in interesting, hands-on activities to see real-world application of various career paths.
