

MANUFACTURERS' COUNCIL of the INLAND EMPIRE

The Manufacturers' Council of the Inland Empire Invites You to

Family Business Challenges and Solutions

Followed by tour of the Gordon and Jill Bourns College of Engineering

Date: Friday, September 15, 2023

Complimentary Continental Breakfast and Networking 7:15 AM

Program 7:30 AM

Tour 8:20 - 9:00 AM

Please register here: Mfgcouncilie.com/events

(Location and parking details provided upon registration.)

The program will address issues common to family-owned, and small to medium-sized manufacturers including succession, long-term planning, communications, decision making, and conflict. Keanon Alderson, MBA, Ph.D. a Professor of Management at California Baptist University where he is the Director of the CBU Family Business Center, will offer resources to help family firms succeed.

Plus - Tour of the Gordon and Jill Bourns College of Engineering, led by Phil van Haaster, DBA, MSE, Dean, College of Engineering Department of Aerospace, Industrial, and Mechanical Engineering.

The event will be hosted by the Gordon and Jill Bourns College of Engineering at California Baptist University, and the Robert K. Jabs School of Business at California Baptist University. Programming was sponsored, in part, by the California Manufacturing Network.

Please register here: Mfgcouncilie.com/events

For registration questions, please contact Debbie Smith, 909 474 7120 or dsmith@mfgcouncilie.com.

Hope to see you there!

Best regards,
Molly

Molly Burgess
