

# You're Invited to an Exclusive Manufacturers & Members Only Event!

All attendees must certify that they are a US Citizen.

**When:** Thursday, January 23, 2025

**Where:** Victorville, CA

**Time:** Approximately 2 hours (plus an additional 30-45 minutes if you plan to tour the innovative Rocket Test Site).

The Manufacturers' Council presents A tour of Exquadrum, Inc. including their innovative Rocket Test Site in Victorville, CA featuring a manufacturers' discussion on workforce needs. Light breakfast and coffee will be served.

Exquadrum conducts research, development and technical services. They design, build and test. Exquadrum consistently delivers outstanding results in rocket propulsion, product design, renewable energy, and technical services.
