

You're Invited to an Exclusive Tour of Westfall Technik!

When: Thursday, May 8, 2025

Where: 1100 Citrus Street,
Riverside, CA 92507

Time: Tour #1: 9:00 am
Tour #2: 3:00 pm

Join us for an exclusive behind-the-scenes tour of Westfall Technik's state-of-the-art facility. Discover how their integrated approach is revolutionizing the plastics manufacturing industry.

Why Attend?

Integrated Solutions: Explore Westfall's proprietary Stacked Integration Model™, offering end-to-end solutions from design and prototyping to molding, assembly, and logistics. This model accelerates delivery, reduces risk, and enhances quality.

Advanced Technologies: Witness cutting-edge micro-molding techniques and automation processes that set new industry standards.

Quality Assurance: Learn about their commitment to 100% defect-free parts, achieved through rigorous quality control measures and state-of-the-art metrology labs.

Sustainability initiatives: Understand how Westfall integrates sustainable practices, benefiting both people and the planet.

RESERVATION IS REQUIRED

This is an invitation only event for manufacturers
