

MEMBER BENEFITS

Manufacturers' Council of the Inland Empire (MCIE)

- **Leverage Company Membership** – One designated primary contact gets full member benefits, and you can add unlimited colleagues to the “Digital Whistle” newsletter.
- **Plant and Port Tours** – Same structure as above (primary contact + unlimited newsletter subscribers for colleagues).
- **Networking Events** – Events connecting manufacturers and industry supporters to share information and resources.
- **Member Support** – Direct line to MCIE staff for guidance, referrals, and connections to industry and workforce resources.
- **Partner Network Access** – Access to government agencies and industry partners (e.g., WiM, CMTA, CMTC, local Chambers).
- **Priority Event Access** – Early registration for tours, mixers, webinars, and signature events like the Annual Golf Tournament and Made in IE Resource Summit & Awards Lunch.
- **Discounted Event Tickets** – Reduced pricing on MCIE signature events (capped at 4 representatives per company, per event).
- **Referrals to Training/Assessments** – Connections to providers for process/procedure assessments, lean-practice reviews, and team-leader development.
- **Informational Videos** – Access to full-length training and informational video content.
- **CMTA Representation** – MCIE represents members' interests through the California Manufacturing and Technology Association and shares regulatory updates.
- **Sponsorship Opportunity Access** – Advance notice and first access to sponsor signature events/programs.
- **Newsletter** – The “Digital Whistle” newsletter with industry news, member spotlights, and event listings.
- **Company Showcase** – Ability to submit a spotlight article (Company, Employee, or Career Pathway Spotlight) during your membership year.
- **College Engagement** – Opportunities to connect with students and educators for workforce/talent development.
- **Workforce Transition Support** – Help for people leaving jobs (layoffs/retirement) who want to stay connected to the manufacturing industry.
- **Feature Content Submissions** – Ability to submit content, resources, or events for newsletter inclusion (subject to approval).
