MEMBERSHIP THAT OPENS DOORS

Connections. Resources. Talent. Innovation. Visibility.

MCIE connects Inland Empire manufacturers to the people, programs and resources that help companies strengthen operations, develop talent and stay competitive.

INDUSTRY ACCESS

Plant tours, technical training centers, community college and university engineering labs, peer networking and industry briefings.

WORKFORCE & TALENT

Connections to internships, registered apprenticeships, colleges, universities, training providers and emerging manufacturing talent.

FUNDED RESOURCES

Information and connections to grant-funded, subsidized and no-cost services such as assessments, training, and technical assistance.

INNOVATION & EXPERTISE

Learn from experts and peers about automation, AI, operational improvement, workforce practices, regulations and emerging technologies.

VISIBILITY & RECOGNITION

Company, employee and career-pathway spotlights; content opportunities; recognition programs; and sponsorship opportunities.

SAVINGS & PRIORITY

Discounts on eligible MCIE signature events plus advance notice and priority registration for tours, programs and special opportunities.

JOIN THE INLAND EMPIRE'S MANUFACTURING NETWORK
